

“FUM first went to Kenya in order to spread the Gospel. When they discovered the people couldn’t read, they established schools. When they discovered the people died young of disease, they established hospitals. Thank you FUM for caring about the whole person!”

HEALTH MINISTRIES

Friends United Meeting commits itself to energize and equip Friends through the power of the Holy Spirit to gather people into fellowships where Jesus Christ is known, love and obeyed as Teacher and Lord. We have learned that often we must care for the most basic of needs before people are willing or even able to be gathered into fellowships.

Because of this, our mission sites include wells and hospitals for the **physical health** of a person. Many of our mission sites contain schools to care for the **educational welfare** of children as well as adults. During the post-election violence in Kenya in 2008, the Friends Church Peace Teams met the **mental and emotional needs** of victims of that crisis by listening to their stories.

Once these basic needs are tended to, we encourage the gathering of people into fellow-ships for **spiritual nourishment**. Sometimes this takes the form of churches while other times it is a worship group or even meeting individually with one of our field staff or partners. Whatever the venue, these fellowships form the lifeblood for the **mission of Friends United Meeting**.

On the walls of Kaimosi and Lugulu Hospitals in Kenya are these words, “We treat, but God heals.” These words speak to the mission of FUM in each of the locations in which we serve. We do our part, but only God can make a person whole. **Only God can truly heal.**

It is our hope that you will partner with us as we work alongside the people of Belize, Cuba, Jamaica, Ramallah, East Africa and right here in the United States and Canada to fulfill our purpose in God’s plan for wholeness.

Tune in to the ministries of FUM — the channel that energizes and equips Friends through the power of the Holy Spirit to respond to Christ’s call to take the Good News to all nations!
