

How to Support FUM

Ever wonder what exactly FUM is up to these days? Ever wonder if you are really donating to the right thing? Ever wonder if there is another mission that might also need your support?

This brochure was developed with you in mind. We want you to know what we are doing, how we use the money you send us, and what other places you might be interested in contributing to.

Whether you are contributing to the general fund, supporting students in Belize or hospital patients in Kenya, we hope you find this brochure helpful as you plan your giving in the coming months.

Remember, all donations are tax deductible and you will receive a receipt from us within a few weeks. We appreciate your continued support and hope you feel free to contact us with any questions or concerns you might have, as we are here to serve you.
